

Dory Audition - Just Keep Swimming

Hey Mr. Grumpy Gills, life's full of little spills
Don't throw your fins up in disgust
Oh what's the use of floatin' there, not goin' anywhere?
Swish your tail and dive on in and trust...

That.. if.. you.. Just keep swimming
Just keep swimming life isn't all that grim!
Just keep swimming, just keep swimming,
What do we do? (we swim) Right!

La la la la la La la la la la
La la la la la LA laaaa
