

# July 2024

In this one week camp, Mr. and Mrs. Acker will use their professional acting experience to train your little stars in acting, singing and dancing. This camp is designed as a safe and fun introduction to theater that will expand your child’s imagination, artistic capabilities and ability to express themselves confidently in front of others. On the last day of camp we will be inviting parents and friends to watch their kids perform select songs from the hit musical Aladdin!
